Philippians 4:11-13

This is what the Bible tells us about Paul.

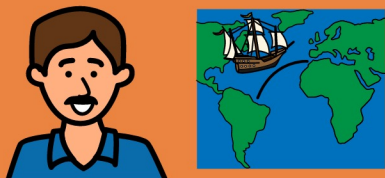

After God changed Paul's sinful heart into a new heart for God,

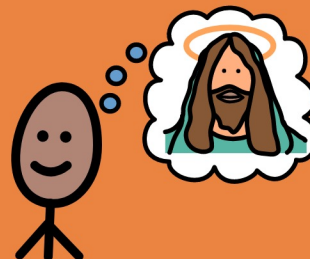

Paul told everyone about

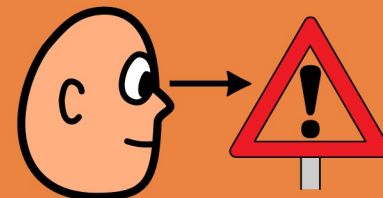

God's son, Jesus.

Paul traveled around

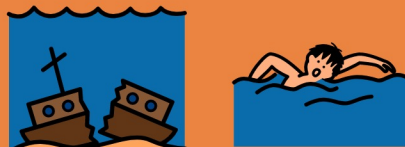

teaching about Jesus.

He had to watch out for dangers.

One time he was bitten by a venomous snake.

Three times his boat crashed and Paul had to swim for his life.

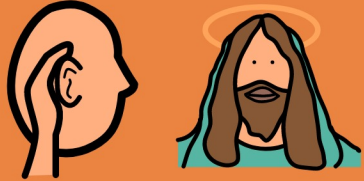

Sometimes he had no food.

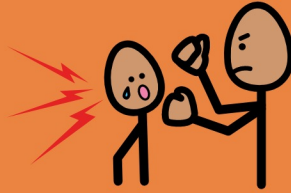

Some people hated

to hear about
Jesus,

so they beat up
Paul.

They put him in jail
in chains.

What do you think

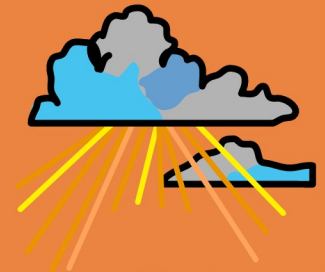

Paul said about all
those things?

Paul said he was
OK

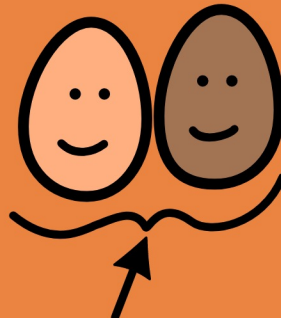

with whatever
happened to him

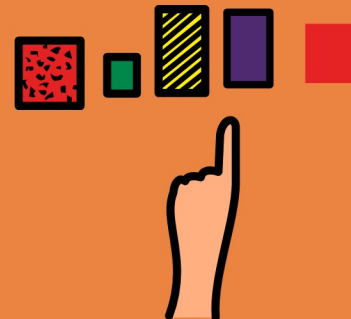

because God would
always

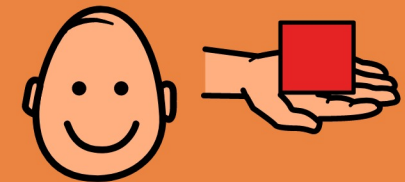

take care of him.

We can

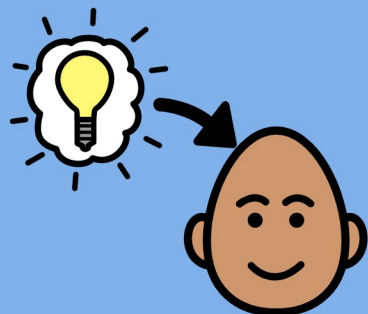

CHOOSE to

to be content with
what we have.
