

# November 2021 Memory Verse (elem)

Luke 12:15 (NirV)

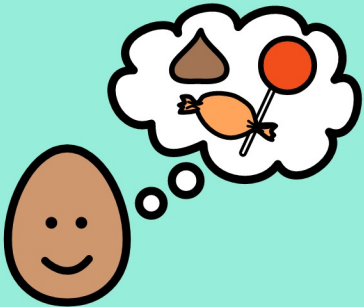

"Watch out!

Be on your guard

against

wanting to have

more and more

things.

Life

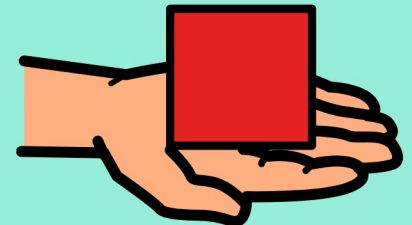

is not made of

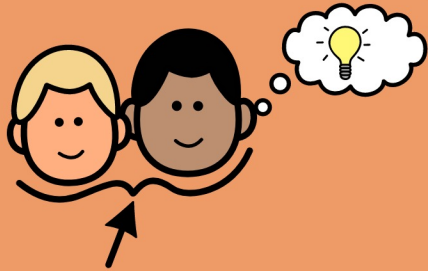

how much

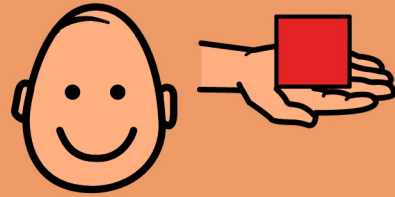

a person

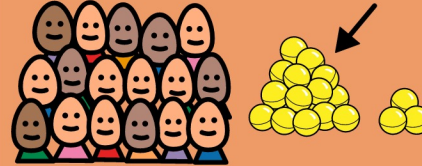

has."

We have learned  
that we can be

content with what  
we have even when

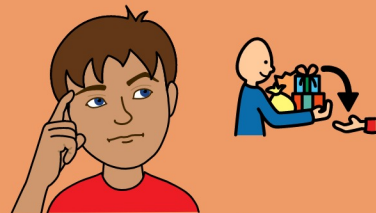

others have more  
than we do.

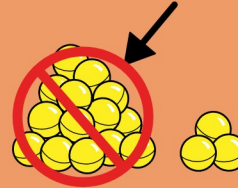

But what about

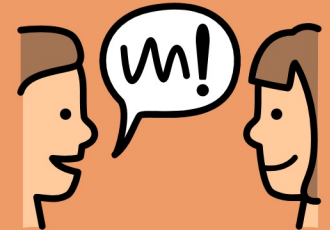

giving and sharing  
with others?

Sometimes it can  
feel hard to give to  
others when

we don't have much  
for ourselves.

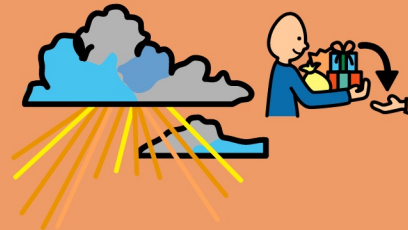

Especially if others  
around us talk about

how much they can  
give because

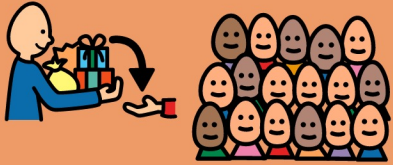

they have more  
money and things.

God gives us things

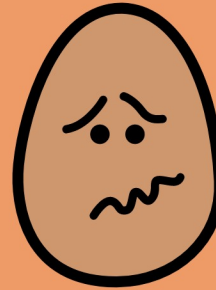

other than money  
that we can

share with people  
around us.

2 Corinthians 8:1-5

Even when we suffer,

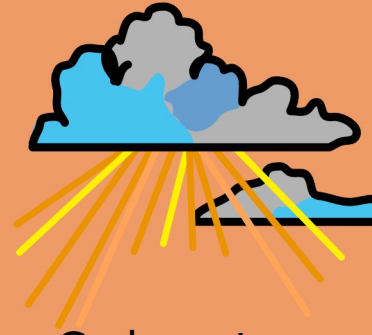

we can have joy.

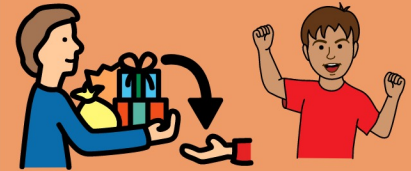

Even when we  
don't have much,

we can share with  
others.

God wants us

to give joyfully.

We can share the  
things God has  
given us.

Sometimes giving  
means we share  
things we are good  
at,

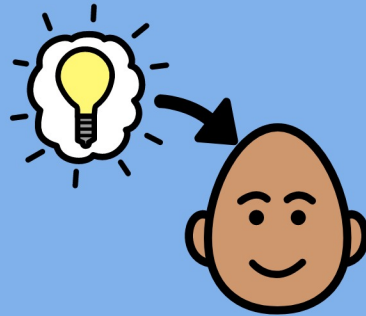

or things we love.

We can pray and ask  
God what He wants us  
to share with others.

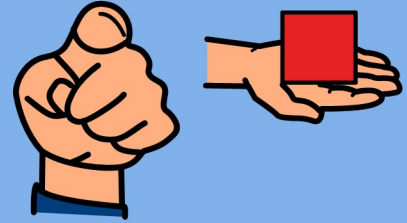

Life App  
(Contentment)

Learning to

be okay

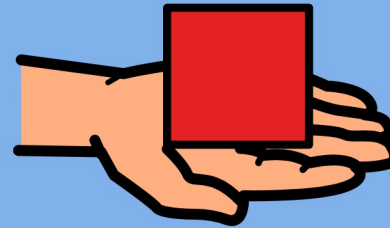

with what you have.

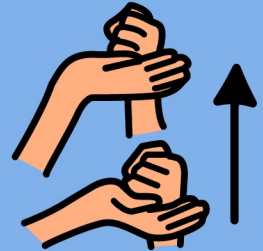

Bottom Line

You can always use

what you have

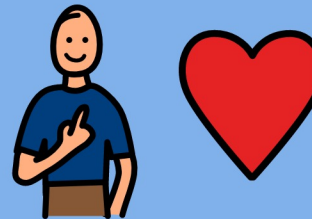

to help someone  
else.

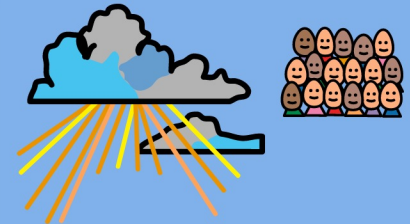

Basic Truth

I am loved by God  
no matter what

so I can love

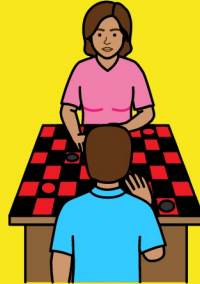

God, love others,  
and love life.
