

Hope is believing that something good can come out of something bad

John 11:40

DAY

1

Puzzle Maker

Grab some thick paper, coloring materials, and scissors. Draw and color a picture of something you like. Then, cut the page into puzzle pieces. Ask a friend or family member to try and put the puzzle together once you're finished.

KNOW that God sees the whole picture when we just see the pieces.

DAY

3

See His Glory!

Look up this week's verse, John 11:40. Make up some motions to help you remember this week's verse. Share what you came up with a friend so they can learn about God's glory too.

LOOK around you to see all that God has created.

DAY

2

You Are . . .

Grab some paper and something to write with. Make an awesome, amazing, colorful poster listing out some attributes of Jesus. Attributes are words that talk about Him; powerful, good, kind, etc. (Check in with an adult for more words to describe Jesus.)

THINK about how amazing Jesus is!

DAY

4

So Powerful!

Did you know that when you talk to Jesus you are talking to the most powerful person ever? Take some time now and thank Jesus for being so powerful.

~~~~~  
 "Dear Jesus, You are powerful enough to bring a man back to life! I am so thankful that I get to talk to the One who does so much. Thank You for all You do to take care of me and my family. Amen."  
 ~~~~~

ASK Jesus to remind you of His power this month.

Whatever happens,
remember how
powerful God is.

Use your imagination and complete the rest of the images below.
