Acts 5:17-42 (NIrV)

The apostles were Jesus' friends, who were also called disciples.

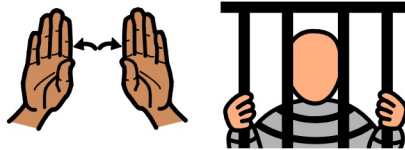

The religious leaders were jealous of the apostles,

so they arrested them and put them in jail.

During the night, an angel of the Lord

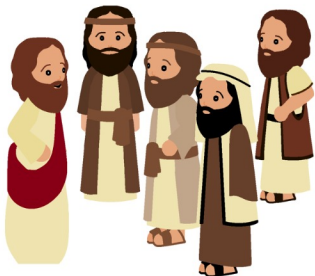

came and opened the doors of the jail.

The angel told them,

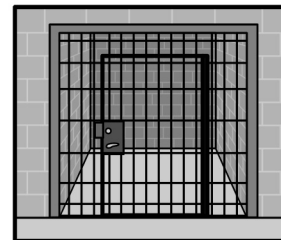

"Go! Stand in the temple courtyard."

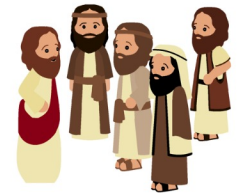

The angel told them to teach about Jesus.

The religious leaders got together and sent for the apostles who were in jail.

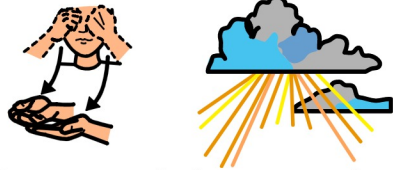

When they arrived at the jail, they didn't find the apostles!

Someone came and told them that the apostles were teaching in the courtyard.

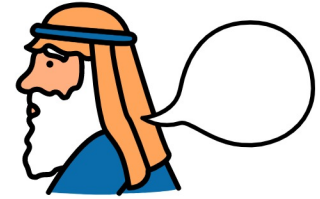

The apostles were taken back to the leaders and questioned.

Peter and the apostles said, "We must obey God instead of people!"

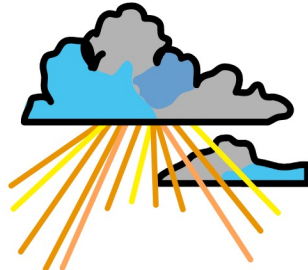

The religious leaders were angry and argued with the apostles.

Finally, Gamaliel stood and said, "Leave these men alone!"

Let them go! If their plans and actions only came from people, they will fail.

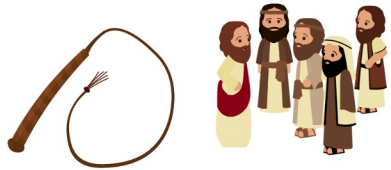

But if their plans come from God,

you won't be able to stop these men.

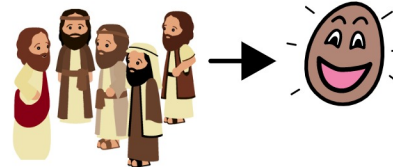

You will only find yourself fighting against God."

The leaders agreed, but whipped the apostles

and told them to stop teaching about Jesus.

The apostles left and were filled with joy.

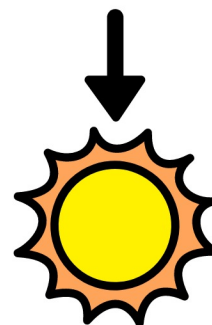

They loved Jesus so much that they had joy, even when life was hard.
