Never Stop Searching

One way to always seek God is by praying and talking to God. Praying is a way to talk to God about what is going on in your life. Have a conversation with God and ask God to help you never stop searching.

~~~~~  
"Dear God, I pray that you can always allow me to see you in my life. I pray that I will always desire to learn about you, seek you and know you. I pray that I can never stop searching for you: the truth, the way, and the life. Amen."  
~~~~~

SEEK God and talk to God in prayer.

Never stop
searching for
what's true.
